

Privacy Statement

This website does not collect personal information from users, except -

- where you send an email to enquire about services and products;
- in which case your name, surname and/or contact details will be obtained;
- where you request us to add you to the Resources Page.

Google and Weebly traffic -

may collect anonymous data from visitors to the website, to monitor site traffic and fix bugs. For example, they may collect information like web requests, the data sent in response to such requests, the Internet Protocol address, the browser type, the browser language, and a timestamp for the request.

Websites itself in general may apply various technologies to collect information, which may include sending cookies to your computer. Cookies are small data files stored on your hard drive or in your device memory that assist to improve Internet services and your experience, see which areas and features of services are popular, and count visits. They may also collect information using web beacons (also known as "tracking pixels"). Web beacons are electronic images that may be used in services or emails and to track count visits or understand usage and campaign effectiveness.

Sharing of Data -

We do not share personal information you have provided to us without your consent, unless:

- Doing so is appropriate to carry out your own request;
- As required by law, such as to comply with a subpoena, or similar legal process;
- When we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- We believe it's needed to enforce our legal agreements or otherwise legally required.

Third-party links and content on Internet -

When you use this website or social media platforms; aggregated, anonymised data is periodically transmitted to external services to help us improve Websites and services as mentioned above. It may allow third parties and platform providers, to provide analytics services.

This site may also use social buttons provided by services like YouTube, Twitter, Google+, and WhatsApp. Your use of these third party social buttons is entirely optional. These third parties may use their own cookies, web beacons and other technologies to collect information about your use of services and other websites, including your IP address, web browser, pages viewed, time spent on pages, links clicked and conversion information.

All social media platforms amongst others, i.e. Facebook or YouTube; may be subject to different privacy policies. Posts made on such platforms are available to the public at large. This Site does not control, nor are responsible, for privacy policies and/or practices of these third party services; and you are responsible for reading and understanding those third party services' privacy policies. *You*, therefore, should review the privacy policies of each website or social media platform that you visit.

About Children -

This Website and social media platforms where any, are not intended for children under the age of 18. It does not knowingly collect personally identifiable information from visitors in this age group. If we discover that a child under 18 has provided us with personal information, we will immediately delete said information and inform his/her parents or guardians. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to take the necessary steps.

Changes to the Privacy Statement -

The content of this Privacy Statement is governed by South African Legislation, and therefore might be amended from time to time which will be adjusted accordingly. Should you have any questions or concerns, please do not hesitate to contact us.
